

Dear Future Sponsor,

To meet a person with Down syndrome is to experience kindness and compassion on a deeper level. Our self-advocates and their families help us understand the power of inclusion and community support. That is what a Buddy Walk® is all about!

Companies play a vital role in the National Down Syndrome Society's (NDSS) and the 321 Society's efforts to educate and raise awareness to promote the positive impact people with Down syndrome bring to our community. You can share your commitment to our mission with your customers, employees and the community by taking part in this year's Buddy Walk®. We'd love for your business to help NDSS raise awareness and money while being deeply touched by the Down syndrome self-advocates and their families.

We've designed the Buddy Walk® to:

- Educate the public about inclusion and support for people with Down syndrome.
- Raise money for the National Down Syndrome Society (NDSS) and the 321 Society
- Raise awareness of the work we do so we can help more people.
- Increase visibility so we can engage more volunteers in our mission.

There are engaging sponsorship opportunities at every level, all of which demonstrate your company's desire to be part of an event that celebrates community and educates people about Down syndrome. The Buddy Walk® is your chance to support NDSS in a variety of ways by being a sponsor, putting together a team or engaging your employees to participate and fundraise (or all three!). We look forward to hearing from you about how you want to support this important event in our community.

Sincerely,

Liz Grimes - 321 Society - Buddy Walk® Lead Organizer (386) 898-5497

What does your sponsorship mean to us??

The 321 Society is a proud partner with the National Down Syndrome Society and we're super excited to be hosting our 2nd annual Buddy Walk on October 15, 2022. We are excited to continue to nurture and support our Down syndrome community here in Volusia county! We are dedicated to using ALL monies raised to locally benefit and support individuals with Down Syndrome and their families here in Volusia county.

The 321 Society is a non-profit organization led by dedicated volunteers committed to helping families of those with Down Syndrome. We seek to offer guidance, enrichment, and support to all individuals with Down Syndrome and their families. Our goal is to work towards building a culture of awareness, inclusion, advocacy, and support throughout Volusia county.

As a sponsor you help the 321 Society provide:

- Educational Seminars and Scholarships to conferences
- Parent Support through Networking Activities and special events
- A growing list of programs for individuals with Down Syndrome of All Ages
- Vital support and Welcome to New & Expectant Parents
- Medical Outreach to teach evidence based best practices in diagnosis delivery

Thank You For Supporting Us!!
