Partner with DSATB to celebrate and support individuals with Down syndrome in our community.

The Down Syndrome Association of Tampa Bay (DSATB) is organizing our first annual Buddy Walk to celebrate and support individuals with Down syndrome and their families and to promote understanding and acceptance of those individuals. This will be the largest Down syndrome awareness event in the area and our primary source of funding for our programs throughout the year.

By sponsoring the Down Syndrome Association of Tampa Bay's 2020 Buddy Walk you will be supporting all of DSATB's important programs including:

- **DSATB's First Call** provides new parent care basket, education and support to families with a new diagnosis of Down syndrome
- **Programs and activities** that provide interaction and social opportunities for those with Down syndrome and their loved ones
- **Awareness Events** that celebrate individuals with Down syndrome and educate others about the important contributions those with Down syndrome make to our community
- **Advocacy** efforts that support community awareness and educational support
- **DSATB Gives Back** helps to provide relief to families in crisis as well as continuous support of local Ronald McDonald House Charities and other charitable organizations
- **DSATB Connections** responds to hundreds of inquiries each year and connects families to information, resources, support groups and family activities

These programs enhance the lives of those with Down syndrome and provide an invaluable resource for families across the Tampa Bay area raising a loved one with Down syndrome. We rely on your support from our community partners to make these programs happen, and I hope we can count on your support. Please contact me directly at 812-373-0234 or tara.pitts@dsatb.org with any questions. Thank you for your support of individuals with Down syndrome and their families.

In celebration and thanks,

Tara Pitts, DSATB Buddy Walk Chairperson and Secretary
