

2023 Sponsorship Form

16th Annual Down Syndrome Family Connection Buddy Walk® in Bloomington Sunday, October 15th • Switchyard Park

Drawn together by common goals, parents of children with Down syndrome began gathering in 2006 and later formed The Down Syndrome Family Connection (DSFC). Our vision is to become a regionally recognized advocacy base for individuals and families living, learning, and growing with Down syndrome. At our 16th annual Buddy Walk®, DSFC hopes to raise funds to cover the numerous services we offer locally, such as community outreach and education events, awareness and promotional events such as the Buddy Walk, new parent information packets, and operational expenses such as web site fees, postage, printing, and insurance; we also contribute a percentage to the National Down Syndrome Society. Your sponsorship of our Buddy Walk will help our organization and generate goodwill.

Sponsorship Goal: \$15,000

Any donation amount is welcome, as well as in-kind donations of food/drink/supplies for the event; please contact us regarding proposed in-kind donations.

What is Down Syndrome?

Down syndrome is a genetic condition that occurs in one out of every 700 births. It affects people of all ages, races and economic levels and is the most frequently occurring chromosomal disorder. Down syndrome affects more than 400,000 people in the United States alone. Recent advances in our understanding of Down syndrome have resulted in dramatic improvements in the life span and potential of those who are affected.
