We are very excited to be hosting our first Buddy Walk for the greater IE area. A Buddy Walk® provides opportunities for families to celebrate the special people in our lives who have Down Syndrome. This day of celebration will help DRBF with its mission to raise awareness of the potential and the many abilities of our friends with Down Syndrome and assists us as we strive to support families in our area who have family members with Down Syndrome.

The 2024 Buddy Walk will take place on October 19th, starting at 9am. The separate sheet lists the various contribution levels, and the recognition given at each of those levels. We would greatly appreciate your consideration of support through sponsorship of this event, our organization, and our friends with Down Syndrome.

We hope to raise money to help make a difference for those right here in our community. Although the Buddy Walk is about celebrating those with Down Syndrome, our Foundation is about helping not just those with Down Syndrome but with Autism and other intellectual disabilities.

The Foundation plans to open a center for those individuals with different abilities. This would be a safe place for themselves as well as their families. Providing resources such as educational programs, therapies, and job training to name a few. We hope to put iPads with strong communication apps in the hands of those with ID to assist in their communication at school and home. We are working to meet families with positive, educational information in hand to welcome the arrival of their new baby with Down Syndrome. We plan to work with hospitals and health care providers to provide current, positive information, education and encouragement to families. As well as several other programs that support our families on an ongoing basis.

DRBF is a volunteer led, 501(c)(3) foundation that provides information and support to families of individuals with Down Syndrome (DS) & Autism, as well as serving others with different abilities.

On behalf of all the individuals in our area with different abilities, we thank you for considering supporting the Buddy Walk this year. Should you have questions or need further information about our organization, please contact me at 909.795.1522 or my cell at 909.964.0969.

Sincerely,

A handwritten signature in black ink, appearing to read "Kathleen DePillars".
