

VOLUNTEER OPPORTUNITIES AVAILABLE

STEP UP FOR DOWN SYNDROME!

We are a statewide support organization for people who live with Down syndrome and their families.

We need awesome, motivated and FUN volunteers to help us make this event a GREAT SUCCESS!!

The goal of the Step Up for Down Syndrome Walk is to promote understanding and acceptance of people with Down syndrome. Whether you have Down syndrome, know someone who does or just want to show your support, come and join us!

It takes an incredible group of volunteers to make this an unforgettable event to over 2,000 supporters of individuals with Down syndrome. We need many energetic volunteers to make this a successful day, so please help us spread the word!

There several options to register as a volunteer:

- Register as an individual or with friends
- Companies have employees sign up to volunteer
- Some volunteers register on a Step Up for Down Syndrome Walk team and volunteer during parts of the event

Please contact volunteers@mysact.org for more information or questions.

The Down Syndrome Association of Connecticut is a registered 501(c)3 organization.
