

2023 FUNDRAISING INCENTIVES

By challenging our community to aim high in their fundraising efforts, we are able to better provide a variety of information, education, support and assistance to people with Down syndrome and their families in 23 Ohio counties. As a direct result of your fundraising efforts, DSACO has been able to expand our diversity outreach efforts, launch an Adult Literacy Pilot Program, enhance our resource and play/social groups, elevate our new parent packages and Nationwide Children’s Hospital care packages, and much more! Every dollar raised impacts families here in Central and Southern Ohio.

Please note that many fundraising incentives are donated by local community partners. While we do pay for certain incentives as needed, the majority are made possible through generous companies in our community.
