Ask each faculty member to set up a collection container in their classroom. You know how competitive teachers are, possibly have an ice cream party for the class that raises the most money.

Also place a collection container in the Media Center, reception desk, staff and faculty workroom, or anywhere there is a lot of traffic from the public.

Please be sure the containers have the official Buddy Walk and FCDSA logo on it.

This is the 18th annual walk for the Fun Coast Down Syndrome Association. The Buddy Walk is a one-mile walk in which anyone can participate without special training. After the walk, you and your family will enjoy entertainment for everyone, including face painting, carnival games, music, dancing and more!

**Where:**

Central Park - Town Center- Palm Coast

**When:**

October 26, 2024

**Who:**

Children, young adults and adults with Down syndrome, family members, friends, healthcare professionals, corporate teams and members of the community – bring a wagon, a stroller and a friend. All are welcome!

**Why:**

The Buddy Walk© is our opportunity to show our community that people with Down syndrome are more alike than different and raise the funds to provide resources to individuals with DS and their families. This year our goal is to raise enough money to continue to provide resources at our new Enrichment Center and create a memorial garden for our members who are no longer with us.
