The Missoula Buddy Walk is part of a nation-wide effort to promote awareness about Down syndrome—there are more than 250 around the country! We hope you will be part of the Buddy Walk—a family event that includes an easy one-mile walk, activities for the children, music, food, a silent auction and tons of fun. Our goal is to honor and nurture the extraordinary lives of people with Down syndrome. Through fundraising activities like the Buddy Walk, we provide financial support for medical, educational, and therapeutic needs.
