

2019 Miami Valley Down Syndrome Association Buddy Walk®

Walk of Achievement Instructions

Guidelines:

1. Use as many photos as you want to as long as they fit on a 20"X30" foam core poster board.
2. You can use the poster board provided by MVDSA or purchase your own of any color. Please use the 20"x30" foam core poster boards so that all of the boards are uniform for display purposes.
3. Place your child's information sheet in the upper left corner of the board. This will make for easier reading for attendees if all of the sheets are located in the same place.
4. All completed poster boards are to be dropped off at the MVDSA office by **NO LATER THAN Thursday, September 26th, 2019**. Do not bring them to the Buddy Walk® with you. This will assure we have enough space to showcase all the boards the day of the event.
5. If your child can write, please have him/her fill out the information sheet.

Remember to focus on your child's abilities, accomplishments or anything that helps those at the walk get to know him or her. Keep it short and sweet! We want the walkers to take time to read about all our wonderful children and adults with Down syndrome!
