ABOUT CLUB 21 LEARNING AND RESOURCE CENTER

Club 21 Learning and Resource Center has been serving the Down syndrome community of Greater Los Angeles for the past 15 years. Club 21 relies on the generous support of individuals like YOU, foundations and businesses to fund our educational pathway of programs and services for individuals with Down syndrome, their families and their educational and medical support teams.

Club 21 believes education has the power to change lives, communities and the world. When we work TOGETHER, we can ensure that individuals with Down syndrome will receive the educational tools and resources for BELONGING.

Please give today to show these families you care and thank you for your support of Club 21 Learning and Resource Center!

Please visit our website at www.clubtwentyone.org for more information.
