

Sunday, September 18, 2022 Eastwood Field

We invite you to participate in the DSAV Buddy Walk by either providing a FREE activity for families to enjoy, donating an item (promotional, coupons, literature) to the “Buddy Bags” that are distributed to individuals with Down syndrome that attend the event, or donating an item or completed basket for the Basket Raffle. With over 2,000 people attending last year’s walk, the DSAV Buddy Walk is an excellent opportunity to tell the communities we serve about the products or services your business has to offer. We kindly ask that if providing an onsite activity, please do not sell or raffle anything at your table. You are welcome to have pamphlets and brochures at your table! Please either complete this form and return to DSAV or complete your registration electronically:
