WHAT IS THE DELAWARE DOWN SYNDROME WALK?

The Delaware Down Syndrome Walk began in 2004 as an opportunity to promote awareness and acceptance for people with Down syndrome. It has grown into a large family fun day featuring an awareness walk and 5K run. Funds raised from the Delaware Down Syndrome Walk support our mission to support families, promote community involvement, and encourage a lifetime of opportunities for people with Down syndrome.

The Delaware Down Syndrome Walk is more than just a walk- it's the one event where our community gets to experience why people with Down syndrome are *more alike than different!*
