# About the Walk

## OVERVIEW

The Chattanooga Autism Walk is the largest of its kind in East Tennessee. The event raises public awareness about autism and educates hundreds of people in the Greater Chattanooga area. This event allows families, educators, students, politicians, community leaders, businesses, and autistic adults to stand together and show their support. In addition, the funds raised at the walk help the Chattanooga Autism Center provide vital resources and services - such as autism evaluations, therapy, and education - to individuals and families in the Chattanooga area.

## LOCATION

This year, the walk is wherever you are! Get together with your family or walk team from Nov. 7-14, and walk in your neighborhood to show your support (or run, or ride... creativity is encouraged)!

## ATTENDEES

In the past, we have had up to 1,000 individuals walking or attending the event. The majority are families who have an autistic child or relative. Other walkers are autistic adults, educators, students, community businesses, clinicians, neighbors, and friends.

## TEAMS

Anyone can register for the walk. Once registered, people can create teams and compete for prizes. Prizes are available for largest teams, the teams who raise the most money, individuals who raise the most money, and other categories.

## PROCEEDS

Funds raised beyond the event expenses will go to support the local programs of the Chattanooga Autism Center: These include the Autism Outpatient Clinic, ABA Therapy, Annual Conference, HOPE support group for parents, Greater Chattanooga Aspies, Parents Night Out, STAGES adult transition program, Out and About, Spanish Language Outreach Program, REACH summer learning, Ascending Scales music therapy, and many others.
