About the Down Syndrome Association of Houston

At the Down Syndrome Association of Houston (DSAH), our mission is to provide lifelong education, support, and resources to individuals with Down syndrome, their families, and the communities they live within.

We envision a world in which all people with Down syndrome have the opportunity to enhance their quality of life, realize their life aspirations, and become accepted as a wonderfully normal part of a very diverse community. Each year, DSAH continues to promote awareness through community outreach programs, support meetings, educational conferences, and social events for the DS community. We have been a part of the Houston community for 49 years and have assisted thousands of families by offering support to new parents of babies with DS, assisting parents with challenges related to medical, therapeutic, and educational issues, and working with educators and medical professionals. DSAH is committed to improving the lives and opportunities afforded to all persons with Down syndrome.

DSAH reached significant milestones in 2007, when we partnered with Texas Children’s Hospital to open The Down Syndrome Clinic, a facility aimed at ensuring that all children with DS are receiving the proper medical care and the necessary therapies. At about the same time, we also opened the Down Syndrome Resource Center with the goal of continuing to expand our programs and resources to our members and community.

DSAH currently serves over 3,500 families and we are proud to say our membership continues to grow. Of course, we couldn’t celebrate the growth and inclusion without YOU! We hope you can support our Houston Buddy Walk so we can continue to make strides for people with DS!

Things Keep Looking Up!

Fundraising Tips

How can I get donations for my team?

Remember that people give to people they know, so don’t be afraid to ask. This is a great way to CELEBRATE Down syndrome and to promote acceptance and inclusion of people with Down syndrome.

There are three ways in which you can raise money:

1. Individual Fundraising
2. Team Fundraising
3. Online Fundraising

To be the most effective in reaching your fundraising goal, you should try to use all of these methods, and remember to start as early as you can! It is best to spread the fundraising activities over a period of time and dedicate your personal or team fundraising effort to an individual with Down syndrome.

Putting a face with the cause helps donors realize the impact!

When you are ready to fundraise, remember to arm yourself with facts about Down syndrome.

1. More than 400,000 people in the United States have Down syndrome.
2. One in every 700 babies born in the United States is born with Down syndrome.
3. Individuals with Down syndrome can be of any age, ethnicity, or socio-economic level.
4. Down syndrome is a genetic condition, and is not a hereditary illness.

Along with the National Down Syndrome Society, the Down Syndrome Association of Houston promotes awareness and inclusion for people with Down syndrome and raise funds for local and national education, research, and advocacy programs.

Don’t forget to:

• Be enthusiastic about your participation, whether asking for a donation or for someone to join your team. Your enthusiasm will be contagious and others will want to support you.

• Remember to ask your donors if their companies have a matching gift program, you can easily double your fundraising through matching donations.

• Once fundraising begins, remember to say “Thank You”!
24 Ways to Raise Donations for Your DSAH Buddy Walk Team

The most effective way to raise money for the 2023 Houston Buddy Walk® is to... ASK! Have fun with the fundraising and get creative. To raise $100, you can ask ten of your friends for $10 each or try any of these tried and true ways to hit your personal fundraising goal.

1. Email Your Friends and Family – Send emails to everyone you know using your personal fundraising page (your team captain will tell you how)

2. The Mighty Pen – Try sending a letter in the mail to friends, family, business associates, or vendors, asking for their support. Let them know why you are raising money for the Down Syndrome Association of Houston. If you have a personal connection, share your story. Don't forget to send a thank-you note to people who donate.

3. Use incentives to encourage your team to raise money: i.e. gift cards, artwork, gas cards, etc.

4. One-a-Day – Take your one-a-day vitamin and make your one-a-day ask! Each day ask a different person to contribute. If you get four $25 gifts, you will have raised $100 in less than a week. Did you know the main reason people don't donate is because they were never asked?

5. Make and sell Buddy Walk® Ribbons and T-Shirts

6. Kid-Sitter/Pet-Sitter – Do your neighbor a favor... all in the name of raising money for a good cause! Ask for a donation to take care of a neighbor's pet while they are away. Put the money you earn towards your fundraising efforts. Or... offer to watch the neighbor's kids so they can go on a date. Your "kidsitting" money will put you a step closer towards your fundraising goal.

7. Clean House – It's said one person's junk is another's treasure! Put that philosophy into motion by cleaning out your garage or home and holding a yard sale. Instead of asking people to pay for the goods, ask them to donate to your Buddy Walk® team!

8. Pin It Up – Post your team's fundraising web page URL on the bulletin board or in the newsletter at church or temple, in the office, at the gym, or at school. Make sure to highlight your name, phone number, and email address. Don't forget to tell them why you are participating in the Buddy Walk®. Personal stories equal more contributions!

9. Think about the friends you've donated to (for walks, fundraisers, etc.) – It's their turn to
10. **Talk It Up** — Make your meetings work for you! Ask for a few minutes on the agenda of any meetings you attend. Explain why you are participating in the *Buddy Walk®* and ask for everyone's support. Even small contributions will push you closer to your fundraising goal. If you are dedicating your efforts to a certain initiative, tell that story.

11. **Celebrate** — You love the birthday cake and ice cream but don't really need anything else? Here's an idea to put those gift-givers to work fundraising! Tell your family and friends that you would like them to donate to your *Buddy Walk® Team* instead of a traditional gift. You'll feel good... and they will, too!

12. **Don't Miss an Opportunity** — Change the recording on your voicemail to mention the *Buddy Walk®* and how callers can donate. Then, when you call people back, ask them to sponsor you. Ask for support in your signature line on emails you send out. Be sure to include your fundraising page link in your signature so it will be easy for them to donate.

13. **Ask 10 people for $10**

14. **Host a party**-dinner party-wine & cheese party-pool party-board game-Bingo Night

15. **Ask 5-10 people to save their change for 100 days**

16. **Post a Facebook Donate Now Feature** for your friends to donate to DSAH

17. **Keep a donation cup or dish on your desk**

18. **Coordinate a casual dress day** at work

19. **Hold an Ugly Tie/Ugly Earring Contest** at your work/school. Whoever gets the most "votes" (donations) wins a prize

20. **Have a girl's night in/guys' night in** and ask for a cover charge (donations)

21. **Have a bake or garage sale**

22. **Sell 50/50 raffle tickets** (winner takes 50%/50% to your Buddy Walk® Team)

23. **Host a wine tasting party**

24. **Dimes for Down Syndrome**: 1 roll of dimes = $5
