

To Whom It May Concern:

The Down Syndrome Association of Houston is proud to announce that the 21st annual Houston Buddy Walk will be held on Saturday, November 6th at Constellation Field from 10 am to 2 pm.

The Buddy Walk is an advocacy walk to promote acceptance and inclusion of all people with Down syndrome/Special Needs and to raise funds that will support the programs that we offer to the community at DSAH, after all we are more alike than different. Our programs include the Congratulations! baby present program, prenatal awareness, workshops, support groups, community outings, Education for Life continuing education day program, Camp Ability, family retreats and more.

We are writing to see if you would consider supporting our event by letting us fundraise at your location. Fundraising at locations like yours help us spread the word about the Down Syndrome Association of Houston and promote inclusion within the Greater Houston Area.

To acknowledge your support, your business will be promoted on our social media pages, website and at the walk itself. We hope that you will support our mission of providing lifelong education, support, and resources to individuals with Down syndrome, their families, and the communities they live in.

If you have any questions regarding the 21st annual Houston Buddy Walk please call our Event Coordinator, Kat Doven, at 713-853-6645. You can also email us at buddywalk@dsah.org.

Sincerely,

Kat Doven, Director of Events and Marketing

Down Syndrome Association of Houston
