www.dsagtn.org

Each year, our Buddy Walk provides opportunities for families to celebrate the special people in our lives who have Down syndrome. This day of celebration helps DSAG continue its mission of raising awareness of the potential and the many abilities of our friends with Down syndrome and assists us as we strive to support families in our 18-county area who have family members with Down syndrome.

The 2023 Buddy Walk will take place on October 22nd, from 1-4 p.m. And, just as we say each year, we are excited about what we hope will be our biggest and best Buddy Walk ever! The separate sheet lists the various contribution levels, and the recognition given at each of those levels. We would greatly appreciate your consideration of support through sponsorship of this event, our organization and our friends with Down syndrome in East Tennessee.

Every year, our Buddy Walk gets a little better and hopes to raise more money; I want to let you know some of what we have been able to accomplish over the past years and currently do. We have put iPads with strong communication apps in the hands of individuals with Down syndrome to assist in their communication at school and home. We grant recreational scholarships that have allowed people with Down syndrome to participate in dance classes, music lessons, camps, gymnastics, and other sports. We meet numerous families with positive, educational information in hand to welcome the arrival of their new baby with Down syndrome. We have brought Dr. Brian Skotko, a Board-certified medical geneticist and Co-Director of the Down Syndrome Program at Massachusetts General Hospital, to Knoxville to educate health care professionals and parents. We have hosted bike camps that taught campers with Down syndrome and other campers who are also differently abled to independently ride a bicycle. We have hosted a workshop for our parents by presenting information our DSAG board members learned when attending a NDSC Convention in Sacramento, California. We work with hospitals and health care providers to provide current, positive information, education and encouragement to families who receive a prenatal diagnosis and families who have just welcomed a new family member through birth or adoption. As well as several other programs that support our families on an ongoing basis.

DSAG is a parent/volunteer led, 501(c)(3) organization that provides information and support to families of individuals with Down Syndrome (DS). We are affiliated with both the National Down Syndrome Society (NDSS) and the National Down Syndrome Congress (NDSC).

On behalf of over 500 individuals in our area with Down syndrome, we thank you for considering supporting the Buddy Walk this year. Should you have questions or need further information about our organization, please contact me at 865.202.8867.

Sincerely,

Angie Holbert
Executive Director/Buddy Walk Chairperson

2023
Knoxville Buddy Walk®
