

HOW TO GET YOUR QR CODE FROM MOST INTERNET BROWSERS:

Every team fundraising page has a unique QR code that can be shared with family and friends! Use it on your social media, text messages or email to make it SO EASY for your donors to find your page and contribute!

1. On your team page, click the URL in top bar to highlight it

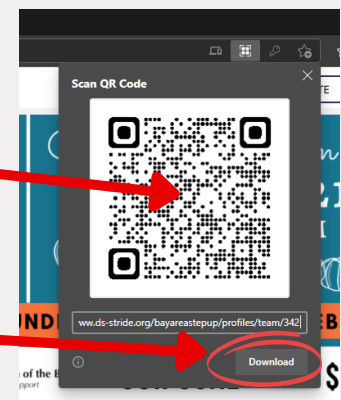

2. Look for this QR Code Symbol  on right side, then click it

3. Once you click that symbol, a unique QR Code will appear like this:

4. Click "Download"

5. You now have your own Team Page QR Code to share!
